CAMP SWIMMING INFORMATION*:

For the safety of each child, all campers who wish to have access to the deeper portion of either the DCRC indoor pool or the outdoor North Pool (water other than the designated shallow water area, slides, diving boards & lazy river) must pass the camp swim test conducted by pool staff. Children may ask to re-take the test throughout the summer camp season as time permits. ALL campers identified as non-swimmers will receive a purple wristband and ALL campers identified as swimmers will receive an orange wristband. Children will be required to wear the wristbands at all times while at the pool. Camp participants may opt out of the swim test, but will be required to wear a purple wristband so we can identify him/her as a non-swimmer.

***For more detailed swim policies and procedures, review the Parent Handbook online at**

<http://dublinohiousa.gov/recreation-services/camps/>.

Wyandot Camp participants will swim twice a week for two hours (4 hours/week). Camp participants and staff will go to the North Pool (5660 Dublinshire Drive, Dublin, OH 43017) and the Dublin Community Recreation Center Indoor Pool (5600 Post Rd, Dublin, OH 43017) as indicated. Children are transported by Dublin City School busses to the DCRC location.

Wyandot Camp at Wyandot Elementary: Tuesdays/Thursdays at the North Pool & DCRC Indoor Pool (one day at each pool)*

Wyandot Camp at Scottish Corners Elementary: Wednesdays/Fridays at the North Pool & DCRC Pool (one day at each pool)*

Kidzone camp participants will swim once a week for two hours on Mondays at the DCRC Indoor Pool.*

Kidzone does not swim the first week of camp. Children are transported by Dublin City School busses to the DCRC location.

My First Camp does NOT swim.

*The Dublin Community Recreation Center is turning 20! It's still in great shape but just like us, buildings need a little work from time to time to stay on track. One of the improvements being completed will be to both of the indoor pools at the DCRC. To improve the decks, drains, and lighting, both pools will be closed from mid-July to mid-September.

Because of the closings, our Wyandot and Kidzone camps will be unable to use the indoor pool facilities for the final two weeks of camp (7/18-7/29) and for the two extended weeks (8/1-8/12). The outdoor pool will still be open and accommodate our campers during scheduled outdoor pool days. In anticipation of this, Wyandot and Kidzone will be increasing the amount of "Water Days", which have been very popular in recent years amongst our campers. These days include activities such as sponge relays, water balloon toss, splash kickball, squirt gun play, and much more. More detailed information on a camp's weekly schedule of activities will be available on the Weekly Camp Newsletter that is emailed out to families the Friday before your child's scheduled camp week.
